Announcement

On Tuesday, **February 18**, starting with 14:00 (local time), the TeraPlast Group management team will hold a teleconference regarding the Group's 2019 preliminary financial results.

The teleconference will be held in English and will be hosted by:

- **Alexandru Stanean – CEO**
- **Ioana Birta – CFO**

**Except when all the teleconference participants prefer the discussion to take place in Romanian.*

The interested parts that wish to participate to the teleconference have to pre-register by sending an e-mail to investor.relations@teraplast.ro until **February 17**. The registration e-mail must include:

- The participant's name
- Company (if applicable)
- Questions regarding the teleconference topic

The report containing the preliminary unaudited results for January-December 2019 will be available starting with 7PM on February 17, on both BSE (TRP symbol) and on TeraPlast site (www.teraplast.ro) – Investors – Financial Reports – 2019 – Q4.

The teleconference will be held using Cisco Webex Meetings application. Following the pre-registering, the participants will receive an e-mail containing all the necessary details of access. The participants can join the teleconference from desktop or by using the Cisco Webex Meetings app, available for both Android and iOS.
