

Announcement

TeraPlast Group's team announces the start of registration for **TeraPlast Investor Day**, which will take place on **November 3, 2022**, between 10:30AM and 4PM (Romania time), in TeraPlast Industrial Park, Saratel village, Bistrita-Nasaud county.

The registration has to be made until **October 31st, 2022**, using the form on the investor website <https://investors.teraplast.ro/teraplast-investor-day/>

The company provides participants, in case of need, transport from Cluj Napoca to the TeraPlast Industrial Park and back. For a good organization of the event, participants who need transportation are asked to specify this in the registration form. The number of participants is limited.

The banner features the TeraPlast logo on the left. To its right, a blue arrow-shaped box contains the text "Investor Day". Below this, the date and time "NOVEMBER 3rd, 2022, 10:30PM" and the location "TeraPlast Industrial Park" are displayed. A note states "Limited number of participants. Registration on investors.teraplast.ro". The central illustration depicts a balance scale with various business icons: a stack of gold coins, a person holding a dollar sign, a person with a gear, a lightbulb, and a person with a gear. The background includes a green upward-pointing arrow and stylized trees.
